VILLAGE OF HIGHLAND PARK

Waste Collection Program

New Collection Days

You should have already received two carts, one brown and one blue. If you have not received them please notify the Clerk's office.

Per our Land Development Code, garbage carts are to be located in an area that is screened from the road. **Do not set carts out curbside.** We pay extra for "backdoor service," so the carts should be picked up by the garbage collectors from the screened area and returned there after emptying.

Regular garbage will now be collected every Friday in the brown cart. Recycling will be collected every other Friday in

the blue carts, beginning with Friday, October 28. Yard waste will still be collected every Thursday curbside.

Disposal restrictions for recycling are noted on the top of the cart. Yard waste disposal is limited

Brown carts are for garbage. Blue carts are for recycling.

to piles with dimensions less than 4ft high by 6ft long. If you have bulky trash or white goods/appliances to dispose of please contact the Clerk's office to arrange a pickup.

If they miss your collection, call before 5:00 and they will come back before noon on the following Monday.

To dispose of old, worn out garbage cans, crush them and put them with your trash. Recycling bins and garbage cans in good condition that are no longer wanted can be dropped off next to the gazebo in the common area. Please rinse them first.

Who do I Call about Missed Collections?

For the most prompt response you should call our collection contractor, **Florida Refuse/Republic Services**, directly at **863-294-8778** and dial 2 to report a missed pick-up. Provide this master account #1008503 and then your physical address.

You can also call the **Clerk's office** to report any problems at **863-455-6518** or by e-mail at: clerk@highlandpark-fl.org.

Collection Days:

Household Garbage	Friday
Recycling	Every other Friday
Yard Waste	Thursdays
Bulky Items	Contact Clerk
